

Dixons Academies Trust – COVID-19 Testing Privacy Statement

Ownership of the personal data

To enable the COVID-19 testing to be completed at **Dixons Trinity Chapeltown**, we need to process personal data for staff and pupils taking part, including sharing of personal data where we have a legal obligation. **Dixons Trinity Chapeltown** is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by the school to ensure we meet our public health and safeguarding legal obligations.

Our legal basis for personal data relating to tests for pupils is processed under paragraph 7 of the Schedule to the Education (Independent School Standards) Regulations 2014 applicable to academies.

Personal data relating to staff is processed under the legitimate interest of the Data Controller to ensure we can minimise the spread of COVID-19 in a timely manner and enable us to continue to deliver education services safely and securely.

The following paragraph is relevant to both pupils and staff taking tests:

If you decline a test, we record your decision under the legitimate interest of school in order to have a record of your decisions and to reduce unnecessary contact with you regarding testing.

This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes and where it is carried out by a health care professional OR someone who owes an equivalent duty of confidentiality to that data.

Data Controllorship is then passed to the Department for Health and Social Care (DHSC) for all data that we transfer about you and your test results to them.
