

October 2022

Dear family,

As I am sure you are aware, October marks Black History Month in the UK. Although we recognise the contributions of a variety of cultures all year round, at Dixons Trinity Chapeltown we value Black History Month as an opportunity to dedicate time to elevating inspirational individuals and events from Black communities.

During Black History Month, we commemorate the important people from the past and also those who contribute to, and help our society today. The aims of Black History Month are to:

- Promote knowledge of Black history, culture and heritage
- Share information on Black contributions to British society

We will be celebrating Black History in a range of ways at Dixons Trinity Chapeltown.

In Primary, we will complement our powerful curriculum through sharing the stories of inspirational people in our values assemblies, morning meetings and snack and chat times. Our weekly singing, will focus on sharing and learning the uplifting and motivational sounds of celebrated Black musicians. This is also a great opportunity for us to develop links with the local community so if you would like to get involved, we would really love to hear from you.

In Secondary, each day, students will hear about a Black trailblazer who is a source of inspiration. We will also be inviting guest speakers from the community to share their own experiences and inspire our students to aim high.

We hope you are as excited about this opportunity as us.

Yours faithfully,

Natalie Brookshaw
All through Principal
