PRINCIPAL'S MESSAGE - MRS ROTHENBURG

I am absolutely honoured to be the 'Acting All Through Principal' at Dixons Trinity Chapeltown whilst Mrs Brookshaw is on maternity leave. We send Mrs Brookshaw and her family our very best wishes and we look forward to her return. Since September, I have enjoyed working closely with Mrs Brookshaw and the wider staff team. I have thoroughly enjoyed getting to know the staff team, students and families and I am excited to develop these partnerships further as we move forward. We are fortunate to have such a committed staff body at DTC, their dedication and determination to ensure our children can thrive in their education and beyond is visible every day, in all they do. It is a privilege to witness the drive and determination from all our children to be better today than they were yesterday and continue to take steps to climb their own mountain. The children at Dixons Trinity Chapeltown work hard every day and consistently demonstrate our learning habits to ensure they achieve their sentence. I would like to thank all of our families for continuing to support our mission at Dixons Trinity Chapeltown and I really look forward to working alongside you to ensure our young people receive the very best educational experience, so they can have a great life.

DTC ARTS COUNCIL - MISS GORNALL

During Week 12, the Dixons Trinity Chapeltown Arts Council had their first official meeting. The DTC Arts Council comprises of secondary students who have shown an incredible passion in the arts. As an Arts Council we will be meeting regularly in order to boost the profile of the arts within the school and get everyone actively engaged in creativity (that includes families and our community too!). The Council have already begun work with a local artist Lucy Gordon who will be designing our official council logo and coming in to do some artist workshops; they have also made contact with Arts Council England who are incredibly excited to do a Q&A session with our students. The Council are currently planning the Cycle 2 House Art competition for January 2021 - keep checking for updates and you can then take part in this exciting opportunity.

CYCLE 1 SHOWCASE - MR JACOBS

To celebrate our students' hard work in the creative arts this cycle, this week we presented our Cycle 1 Showcase. Ordinarily, we would invite families to enjoy the event with us in person. However, due to the current circumstances, we instead would like to share with you our remote Showcase. To access the Showcase, including some extended performances, please follow this link: tinyurl.com/dtcshowcase. This will be available to view at home for the whole of Cycle 2. We are incredibly proud of what our students have produced and are excited to continue this into Cycle 2.

YEAR 1 - VICTORIAN SCHOOL DAY

Year 1 students experienced what it would have been like in school in the Victorian era. We all dressed up in Victorian clothing - which was very fun and everyone looked the part! We practiced our "reading, writing and arithmetic on chalk boards and even had a visit from a stern Head Mistress.

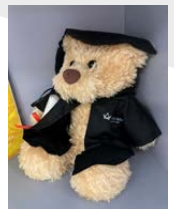

MRS RUNDLE

We have a few exciting events coming up in the Primary phase. The EYFS nativity is being recorded and sent out via Tapestry on Friday 11 December - please ensure students wear their costume on this day. In addition, on Wednesday 16 December, there will also be a virtual Christmas performance and workshop for Reception, YR1, 2 and 3 that the students will be able to watch together in their classroom bubbles via a live stream.
