## MRS ROTHENBURG - PRINCIPALS MESSAGE

All of our students have worked incredibly hard this term and have shown real commitment to our values in their lessons and around the academy. It is really pleasing to see so many of our students supporting and taking part in the wider life of the school through a variety of enrichment and extra-curricular clubs. During this term, students have worked hard and demonstrated commitment inside and outside of lessons, it was fantastic to see our students deliver their Stretch speeches and perform in our Cycle 1 Showcase. We appreciate your continued support during these difficult times. I hope you all have a wonderful holiday and I wish you all the very best for 2021. We look forward to welcoming all the students back in 2021.

## MR TRUEMAN

Year 9 have made an excellent start to their option subjects this year. Focus in lessons has been excellent and they are developing a growth mind-set as they master new ideas in all of their subjects. The work being produced across the curriculum is outstanding and number of Year 9 students attending extra-curricular clubs continues to grow. It has been a real privilege to work with Year 9 this term. I look forward to welcoming all our students back in the New Year. Please look out for morning mastery reminder texts for the first week back in January.

## MR JACOBS

The class of 2026 have made an excellent start during the first two terms of Year 8. I have been impressed particularly with their engagement in all aspects of school life including: Stretch, where we saw some unbelievable speeches; extra-curricular clubs, where attendance is outstanding each night; during co-curricular, where students have the opportunity to master activities such as drama and sign language; and the house competitions, where Year 8 consistently have the highest engagement in the school. Have a great break and I look forward to seeing you all again in the new year!

## MISS HOWORTH

I have been really impressed with the way Year 7 have continued to build on their learning habits and develop their powerful knowledge to climb their mountain this half term. From completing their first Stretch speech to beginning to read *The Tempest* in English, from starting a new co-curricular to enjoying the Recognition Expedition, they have demonstrated time and again their commitment to our values and drivers. I wish them all a restful break and look forward to seeing the progress they will make throughout 2021. Take care, stay safe and I will see you all in the new year.

## MRS ROTHENBURG - PRINCIPALS MESSAGE

All of our students have worked incredibly hard this term and have shown real commitment to our values in their lessons and around the academy. It has been wonderful to see our students still having the opportunity to enjoy enriching experiences including: the EYFS Nativity, watching a live streamed pantomime and exploring the events of 'The Great Fire of London' with our visitors. We appreciate your continued support during these difficult times. I hope you have a wonderful break and I wish you all the best for 2021.

## MISS ASHTON - EYFS

A huge well done from all the teachers for your very first term at big school. Well done for your hard work whilst practicing for our Nativity, you put on a wonderful performance. Please see Tapestry to watch the video of the performance with your families: [https://dixonsacademies.sharepoint.com/sites/DTCSecondaryStaffTeam/Shared%20Documents/Primary/Curriculum/EYFS%20Admin/Nativity/Video%20files/TheNativity\\_DixonsTrinityChapeltown\\_v1.mp4](https://dixonsacademies.sharepoint.com/sites/DTCSecondaryStaffTeam/Shared%20Documents/Primary/Curriculum/EYFS%20Admin/Nativity/Video%20files/TheNativity_DixonsTrinityChapeltown_v1.mp4)

Also a big thank you to parents for providing fantastic and inventive costumes! We hope you all enjoy your winter holiday, and please do keep us up to date with anything you're doing at home on Tapestry. We look forward to seeing all our families again in January.

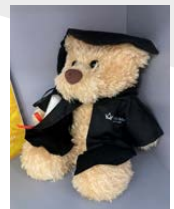

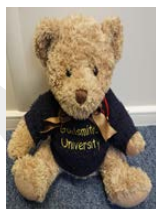

## MISS MONAGHAN - MATHEMATICS UPDATE

EYFS have been learning about 3D shapes, Year 1 and Year 3 have been learning about addition and subtraction and Year 2 have been learning about multiplication and division. To assist with your child's learning, login to your Maths with Parents account at [mathswithparents.com](https://mathswithparents.com). Please access the new topics that your class teacher has uploaded to Maths with Parents, these can be completed during the holidays. Don't forget to upload an image or leave a comment for your teacher! I hope you enjoy a restful break.
