MRS ROTHENBURG - PRINCIPALS MESSAGE

We have enjoyed a very successful return to school after the Easter holidays. Our students have demonstrated our values of hard work, trust and fairness. Our student's commitment to climbing their mountain has been seen throughout the whole school. We had a visit last week from other Principal's from within the Dixons Trust. The focus of the visit was to explore the exceptional curriculum we have created for our students at DTC. The DTC curriculum will now be used in other Dixons schools, and this is something our staff should be very proud of. During the visit they said "we have been overwhelmed by the culture in the school, your students are incredibly focused on their learning". They also commented "your students are courteous and respectful to staff and each other".

MISS SHERRIFF

Over the last few weeks, our Year 8 Geography students have enjoyed taking part in a series of live lectures delivered by the Royal Geographical Society and The University of Leeds. The sessions highlighted a range of unusual geographical careers and students had the opportunity to ask their questions to subject experts. Thank you to all the students that took part in these sessions.

Congratulations to Mrs Everatt and Miss Haigh who are both expecting a baby very soon so you may have noticed that Mrs Rundle, our Assistant Vice Principal, has joined the EYFS team. I am sure you will all join us in wishing them all the best and we will keep you updated on their new arrivals. Thank you for your continued support.

MISS ASHTON

What a busy start to term! In EYFS we have been mastering retelling our new story of the Little Red Hen. The students have blown our socks off with their expression and confidence as story tellers. This week, we were very excited to welcome the eggs to Dixons Trinity Chapeltown. We are keeping a close eye on how they change as they get ready to hatch, we will hopefully have some DTC chicks very soon! We will keep you all up to date on all chick related activities

MISS MONAGHAN

Please remember to login to Maths with Parents with your child to complete the activities set by the class teacher. Don't forget to post a picture or leave a comment! You can now access Maths with Parents at www.learningwithparents.com. If you have forgotten your password, please click on the 'forgotten password' link and you will be sent an email containing a new password for you to login. If your child is in Lower Peak (Y2 or Y3), please remind them to continue practicing their times tables at home by logging into Times Tables Rock Stars www.trockstars.com. If you have any problems logging in, please speak to your child's class teacher.

MISS DALE

In Y2 we had a special delivery of caterpillars! We are watching them daily to see them transition into butterflies. We are also watching shallot bulbs grow in Science.
