MRS ROTHENBURG - ACTING ALL THROUGH PRINCIPAL

This half term has been full of challenge and success for our students and staff at DTC. Our students experienced an amazing Sports Day at the John Charles Stadium, it was fantastic to watch our students support each other, in particular the support our secondary students showed our primary students. We look forward to inviting families to this event next year. Our Year 9 students have experienced a Careers Fair alongside many other careers events this half term, these events are a great opportunity to explore various roles within the workplace and keep our student's high aspirations on track. We ask all of our staff and students to demonstrate our core values of Hard work, Trust and Fairness every day and I am so proud to be a part of DTC during this time. It is a privilege to serve such a fantastic community and staff. I hope all our families have a great half term, see you when you all return.

CO-CURRICULAR COMMUNITY LISTENING CAMPAIGN

At DTC we are committed to listening to all members of our wonderful community to make sure we are always getting better. Over the last few weeks, Year 8 students have had the opportunity to participate in training from Citizens UK focusing on delivering a Listening Campaign amongst our students. They have started working across the Year 7 cohort, asking what makes them mad, sad, and glad about their community. The student voice in driving our community development is vital. We have already enjoyed gathering feedback from students and look forward to implementing lots of their next steps.

MRS FISHER

On Friday 11 June, ten students from Year 7 and 8 will attend a robotics celebration event led by the EEP Raising Robots team. The event will celebrate all the hard work these students have put into their own robotics presentation. Students were required to build, program and complete a series of challenges using the Lego Spike Prime robot. This year, the theme was sustainability and students needed to plant virtual trees and discover how robotics can be used in the quest to find long-lasting renewable energy. The team worked collaboratively, over Teams, to prepare for this competition and submitted a really thoughtful presentation. Well done to all the students that are taking part in this celebration and representing us at DTC.

MISS SISWICK

We recently celebrated DTC science week and the students have enjoyed taking part in workshops, including a heart dissection, a reaction time investigation and brain game challenges. Students also took part in a chemical elements memory competition, Suhrith Yerabati (Y9) managed to memorise over 100 elements! We also had a competition to create an artistic model of part of the human body, Olta Berila (Y8), Ellie Fowler-Browne (Y8) and Taizejhan Duke (Y7) were our winners. Many students also participated in an online science quiz winning points for their house. Well done to all students that took part.

MRS BATES - WITH SURITH YERABATI - YR9

Our first annual Sports Day took place on 24 May and was a great success. All our primary and secondary students had an exceptional and tiring day to say the least! This year, we visited the John Charles Stadium which hosted a range of athletic events. Overall, the enthusiasm and engagement from all students could be felt radiating throughout the stadium, everyone of them wanted to win that trophy for their advisory. As well as the results from this momentous day, every student took something memorable away from the day, whether it was the support from their peers, the gracious feeling of victory, the team spirit in the tug of war, or the commitment and drive of every student and staff member. This ensured the day was a special day for everyone.

Student of the Week:

TEACHER	STUDENT	TEACHER	STUDENT
Ms Coyte	Jayda Ward, Anas Yousef, Aisha Aslam	Mr Clough	Riya Begum
Ms Howe	Hajra Hussain, Latirr Mendy	Mr Silcock	Hamda Mohamed, Akeram Nor
Miss Grindley	Ketia Kunkeba, Jazmin Pap	Mr Norris	Taizejhan Duke, Yasin Mbaye, Anas Yousef
Mr Dyke	Lia Tekleab, Isaac Woolery	Miss Siswick	Keziah Arewa-Phillip, Priyanka Birdi
Ms Lamb-George	Sara Marin, Sahal Kureshi, Ehsan Ali	Mrs Fisher	Halima Dawood, Rifaqat Khan
Ms Gornall	Rayah Clark	Miss Jones	Fateeha Ahmed, Joe Luemba
Miss Bate	Kafeel Mohammad, Rayet Siraj	Mr Ainsley	Hamda Mohamed, Fatimah Shaikh
Miss Sherriff	Muuse Abdi, Hilli Brent Bladon	Miss Smith	Maleehah Ali, Eesa Khan
Mrs Bates	Chida Ndoi, Rayet Siraj, Dashye Wyatt-Anderson	Mrs Wheeler	Darae Bedeau-Edwards, Ariana Hasan

Upcoming Events

Fri 28 May - End of Term 4
Mon 7 June - Start of Term 5
Fri 11 June - Robotics Challenge
Fri 11 June - Student Council Meeting
Mon 14 June - YR9 School Immunisation Team

Important Reminders

Ensuring that students and families are supported is of paramount importance to us at Dixons Trinity Chapeltown, as such, it is important that families are signposted to a range of services that they may require. If you require any support or guidance during the half term break please visit www.dixonstc.com/about/family-support

Issue: 26.05.2021

MRS ROTHENBURG - ACTING ALL THROUGH PRINCIPAL

It is with great pleasure that I can announce that we have appointed Alex Swaby as the Head of Primary at DTC. Alex has been part of DTC since the very beginning and really does embody our values and Hard work, Trust and Fairness. I know you will join me in congratulating Alex, I am confident that she will serve you and your children well throughout your time with us here at DTC.

MISS DALE

Our caterpillars have turned into butterflies! The students have really enjoyed watching the process of metamorphosis happen over the last few weeks. The students have also been learning about shapes in Maths and learning to write recounts in English. Well done for working so hard this term Year 2! I hope you all have a fun and restful half term and I look forward to seeing you on your return.

MRS RUNDLE

On Monday, we welcomed some winged visitors to school. Reception, year 1, 2 and 3 met a kestrel, a hawk, a falcon and an owl. We learnt interesting new bird facts and got the opportunity to hold a kestrel. The circus also came to primary this week! We watched a performance and then had the opportunity to try lots of circus skills like balancing and juggling. Thank you to everyone who has already contributed a voluntary donation. If you would still like to contribute, we are very grateful for any donations via parent pay.

MISS ASHTON

Disaster struck in EYFS this week! On Tuesday, we came into school to find our class bears missing. We made lost posters to let everyone know to look out for the bears. The next day, we found a note from Pirate Pegleg! He had our bears. Creating traps, writing letters and drawing treasure maps is just a snapshot of the learning that happened after that. Finally, we followed a trail to find our bears safe and sound, ready for our assembly on Friday. The children have been so inspired and motivated during Pirate week, we are so proud of their imagination and creativity. Well done!

REMINDER - Please ensure that all jumpers and fleeces have your child's name labelled clearly in them, so they can be easily reunited if they get lost.

Values / Drivers Award:

CLASS	STUDENT	CLASS	STUDENT
Goldsmiths	Whole Class	Goldsmiths	Whole Class
Leeds	Whole Class	Leeds	Whole Class
Liverpool	La'mario Cohen	Liverpool	Angelleena Rayner-Shiel
