Dear families,

New to EYFS 2024 Open Evening and Parent Workshops

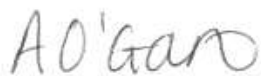

I am pleased to inform you that our prospective EYFS open evening will take place on **Wednesday 11th October from 4.30pm-6pm**, where we will provide important information about joining EYFS at Dixons Trinity Chapeltown in September 2024. There will be a tour of the school, tasters of our family dining meals and an opportunity to meet school staff and hear about our outstanding school.

In addition to this we will also be holding a range of workshops on how you can best support your child in readiness for school and throughout the reception school year. These workshops are available to **both** prospective EYFS parents and current EYFS parents.
