

November 2022

Dear Family,

We are delighted to share with you our extra-curricular offer for 2022-2023. Our clubs will be run by school staff who have volunteered to offer a wide range of activities. Details of the available clubs are overleaf.

The clubs will be free of charge for all students. They will last for 40 minutes, from 3:50pm – 4:30pm. It is very important that you **collect your child on time at 4:30pm from the school office**. If you do not collect on time, you risk losing the place at the club. Students must attend all the allocated sessions or we will offer the place to someone else on the waiting list. Understandably, we recognise there are situations where this may not be possible for example if they are ill and off school.

How do I sign up?

If your child would like to attend an extra-curricular club, please complete the form for their year group on the Dixons Trinity Chapeltown website under Why Dixons / Extra-Curricular or by clicking <https://www.dixonstc.com/why/extra-curricular-clubs>. You may choose one club that your child is interested in by **11 November 2022**. They may not be allocated their first choice, but we will try to ensure that every student who wants to attend has the opportunity to take part in at least one club over the whole academic year. Information about your child's club allocation will be via the contact email stated on the form.

What if my child attends PE Partner after school care?

If your child attends the paid after school club provision, they can still attend the extra-curricular clubs and will then be dropped off at after school club until 4:50pm. You will still be required to pay the normal rate for after PE partners after school club. This is a paid for provision that can be accessed every night throughout the school year, not including holidays. If this something you are interested in, please visit their website on www.pepartner.co.uk

We would like to take this opportunity to thank the staff for giving up their time to provide these extra-curricular clubs for the students at Dixons Trinity Chapeltown so that they access and enjoy a range of activities outside of the school day.

If you have any questions, please do not hesitate to contact the school.

Yours sincerely,

Mrs Rundle

Vice Principal
