

June 2022

Dear family,

Head of Primary

I delighted to share with you the news that we have successfully appointed a Head of Primary, Angelique O'Garro, who will be joining us from the start of the new academic year. Angelique has worked as a senior leader and school improvement partner and brings a great deal of experience with her. Miss O'Garro currently works at Blenheim Primary School, where she is currently Assistant Head, and can't wait to start her headship at Dixons Trinity Chapeltown.

I would like to take this opportunity to thank Mr Robbins-Ross for his commitment to our school since he joined us as Interim Head of Primary in January. Mr Robbins-Ross has made a real impact this year and I know staff, students and families will be sad to see him leave.

There will be an opportunity to meet Miss O'Garro before the summer holidays and I know you will make her feel very welcome as she joins the Dixons Trinity Chapeltown family.

Yours faithfully

Natalie Brookshaw
Principal
