

6 February 2023

Dear Families,

Home Learning Monday 6 February 2023

As we communicated on Friday 3 February the Academy is closed on Monday 6 February due to a fault with our building maintenance system, which means we currently don't have any water or gas to power cooking facilities. This is not a decision we have taken lightly and we are sorry for any inconvenience caused.

Students are expected to complete Home Learning on Monday 6 February for the day. The details of this can be found below. The Home Learning will be collected in advisories on students' return to the Academy.
