Dear Parent/Carer

IMPORTANT INFORMATION ABOUT YOUR CHILD'S HEALTH
Your Child's Human Papilloma Virus (HPV) vaccine is due.

Due to the success of the HPV vaccination in significantly reducing HPV related cancers and genital warts, the vaccine is now offered to all Year 8 pupils. The HPV vaccinations are part of the NHS childhood immunisation programme. Although HPV is currently a 2 dose schedule, given 6 to 24 months apart, this is under review from the JCVI (Joint Committee on Vaccination and Immunisation) and may be reduced to a single dose schedule. You will be notified of any future changes.
