Dear Family

FREE Swimming Lessons during Half Term

We have identified your child as a non-swimmer who would greatly benefit from additional swimming lessons. Dixons Trinity Chapeltown have been given the opportunity for FREE daily swimming lessons during the February half term break. We would encourage you to support your child to attend these additional swimming lessons to support them in their development as they currently require buoyancy aids to move independently in the water, unable to swim 5m .

What do the sessions involve?

You will choose which leisure centre is most convenient for you to access. When you take your child, they will receive a daily 45 minute session... You do not need to get in the pool with them.

How do I sign up?

Please email schoolswimming@leeds.gov.uk detailing which sessions are most convenient or you to attend by **1 February 2023**. You can choose more than one. Your request may not be guaranteed however they will confirm via email at the time of booking. **Sessions are first come, first served so please don't delay in emailing the swimming team.** Please provide the following information in the email:

Child's name:

Child's age:

Child's school:

Parent/Carer Emergency Contact:

Medical Details (that the site would need to be aware of, this can be in note form handed to the centre on the first day if needed):
