

October 2023

Dear families,

Dixons Trinity Chapeltown in secondary are taking part in the Young Entrepreneur Challenge run by Yorkshire Children's Charity. As part of the challenge, students have been given £250 to create a financially healthy and profitable business.

We are delighted to introduce Luxxel, a new and innovative company created by our students. Luxxel aim to sell luxurious toiletries to raise money for the Yorkshires Children's Charity. Their products are crafted with care and designed to enhance your self-care routines, ensuring you experience the utmost luxury even on the go.

We are thrilled to announce that Luxxel will be hosting a stall from the 8-10 November 3:30pm-4:30pm outside reception. We warmly invite you to come and support us during this time. It is the perfect opportunity to explore their premium products, each carefully curated to deliver a delightful self-care experience, wherever your travels may take you. Luxxel look forward to meeting you and they cannot wait to share the Luxxel experience with you.

Please note that Luxxel are currently only accepting cash payments. Please share this with others to help us raise money for the Yorkshires Children's Charity.

Thank you for considering their invitation and we hope to see you there.

Yours faithfully,

Adam Clough
Vice Principal
