

October 2021

Dear family

I am delighted to have returned from maternity leave to resume my position as All Through Principal at Dixons Trinity Chapeltown. I would like to express my sincere gratitude to both Kavina Rothenberg and Pippa Sadgrove who have led the academy in my absence. Kavina Rothenberg has returned to Dixons Unity Academy to take up the role of Senior Vice Principal and Pippa Sadgrove remains with us and has been promoted to All-Through Senior Vice Principal. I feel incredibly fortunate to have been able to spend time with my daughter knowing that the academy was led by two incredible principals who are the embodiment of our core values.

The past 18 months have been incredibly difficult for the entire school community, yet despite the challenges faced by the pandemic, I am truly humbled by the resilience, determination and optimism of our students. Their achievements and the progress they have made despite the continued disruption to their education is astounding. I am incredibly proud to serve our students and families and I hope for a more stable year ahead as we continue to strive to be one of the best schools in Leeds and the country.

For clarity, I would like to take to this opportunity to communicate the Senior Leadership structure at the academy. Please find names of the senior team along with their position and contact details below:
