

28 January 2022

Dear families

As you may be aware, the government made new announcements on 2 January regarding Covid 19 and provided new guidance for schools in England. As with most places of work, we have very limited staffing across the Academy. We need to respond to this to ensure that we are providing a quality education for all our students. This will mean some disruption to normal learning, but we have tried very carefully to minimise the impact of this.

Consequently, considering our current staff absence, we have taken the decision to direct our EYFS students to learn from home on Monday 31 January and Tuesday 1 February; this may be extended depending on staffing.

Students should access their work via a link on the school website, which you can find by [clicking here](#).

If your child has any issue accessing the work, please contact the academy.

All other year groups are expected to attend school as normal. Our attendance procedures and policies remain the same for all other year groups.

We will be in touch on the afternoon of Tuesday 1 February with an update and will also provide updates on the academy website as we continue to respond to our staffing situation.

If you need any support, please contact the academy in the usual way.

Thank you in advance for your support.

Yours faithfully

Luke Robbins-Ross
Interim Head of Primary
Dixons Trinity Chapeltown
