

February 2023

Dear families,

Spiritual Time

Following feedback from students and parents, in order to support our school community, we have made the decision to facilitate a period of spiritual time at Trinity during lunchtime. This will be on a trial basis in the first instance. It is a time and space for all students, faith or non-faith, to have the opportunity to develop their spirituality and to practice their faith.

Friday prayer will be included as part of this spiritual time.

This opportunity will be communicated to students and, come into effect, during the next half-term to give enough time to ensure we have staffing in place to supervise students during this time. We will communicate the exact date of when spiritual time will begin in the new term.

Students choosing to attend spiritual time will be expected to behave respectfully and appropriately in accordance with the school rules. Ultimately, the success of spiritual time and how it is received by students will determine its longevity.

If you have any questions, please contact school in the usual way.

Yours sincerely,

Natalie Brookshaw
All-Through Principal
