

December 2022

Dear family,

Y11 parents' evening and mock exam results evening

I am writing to invite you to your child's Y11 Parents' Evening on **Thursday 12 January from 4pm-7pm.**

During the evening, you will have meetings with your child's subject teachers to discuss the outcome of their recent mock examinations and next steps to support their progress and attainment ahead of their GCSE examinations.

To book your appointment log in to the MCAS app and click into the parents' evening menu from, the main menu in the top left-hand corner. Then, click into the parents evening, scroll to find an appropriate slot, and click 'book' then confirm by clicking 'book' again. There is a guide on the reverse of this letter.

On arrival, you will also receive your child's mock grades to support your conversations with staff. Please note, these grades will not be shared with students until the evening so this will be the first opportunity for students to receive their results.

As always, there will be senior leaders available to discuss any concerns or queries you may have about your child's performance.

We look forward to seeing you on 12 January and would like to thank you in advance for meeting our expectation that all families attend particularly given the importance of your child's final few months at Dixons Trinity Chapeltown.

Please don't hesitate to get in touch with the academy if you require any further information.

Yours faithfully

Natalie Brookshaw
Principal
