

October 2022

Dear Family,

We are holding a Y5 Residential Celebration assembly which Y5 families are invited to attend. We will share photos, stories and memories from our weekend expedition.

It will take place at school on **Thursday 20 October at 9am**. Please sign in at the office and you will be taken to the heart space to take your seat. Please note this is just for families of Year 5 students.

We look forward to seeing you there

Kind regards

Mrs Rundle
Vice Principal
