Dear family,

Support with the cost of the Year 7 expedition

Due to the significant increase in the cost of living, in particular the astronomical rise in energy costs, we understand that at this present time paying for the Year7 expedition to Ullswater may be difficult for some families.

As such, we would like to offer you the opportunity to pay for the expedition in smaller instalments across the year to help you manage costs. The instalments would be spread across a number of months to make them easier to pay, for example paying £25 a month from October to April.

The cost of the expedition is £175. If you would like to set up a payment plan, please contact Bhupinder Lyall (blyall@dixonstc.com), who will be able to set this up for you. In your email please state your child's name and Advisory, along with details of any payments you have already made.

Please don't hesitate to get in touch with myself by emailing me at nbrookshaw@dixonstc.com should you require any additional support paying for the expedition. We wouldn't want any child to be disadvantaged in terms of their educational experience during this difficult time and will do whatever we can to help.

Yours faithfully

Natalie Brookshaw
